

International Conference on Mechanics and Energy

AICME 2025

Scopes & Topics:

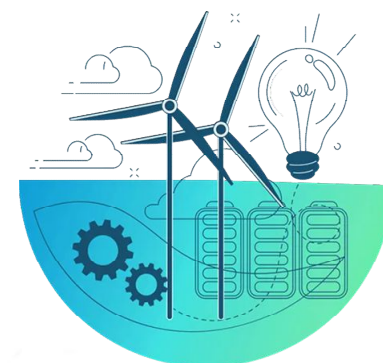

- ✓ Advanced Mechanics
- ✓ Energy and Smart Engineering
- ✓ Innovative Materials
- ✓ Fluids & Structure
- ✓ Applied Physics
- ✓ Technologies, Manufacturing and Production
- ✓ Artificial intelligence for Engineering
- ✓ IoT for Mechanical and Energy Systems

December 25-27, 2025

Hammamet, TUNISIA

Workshops:

- ✓ Artificial intelligence in Engineering Applications
- ✓ IoT for Mechanical and Energy Systems Management

Submitting papers through the website: <http://icme.aicme.net>

Visit our website for registration, detailed program, keynote speakers, and other information

Registration Fees:

Participants	Participants from Tunisia and the greater Maghreb	Participants from other countries
Student	650 DNT	250 €
University	700 DNT	300 €
Industry	750 DNT	400 €

Important Dates:

- ✓ Extended submission date:
October 15, 2025
- ✓ Acceptance Notification:
Starting from October 30, 2025
- ✓ Registration Deadline:
November 30, 2025
